

More Provider Choices

While nearly 95% of our members choose a VSP® Vision Care preferred provider, we understand choice is important. That's why we offer a variety of options to ensure satisfaction.

VSP Preferred Providers

We know members want one-stop shopping, a large eyewear selection, and maximum cost savings. That's why all VSP preferred providers offer thorough eye exams and a wide variety of quality eyewear. And members pay less out-of-pocket thanks to exclusive discounts. VSP preferred providers are located nationwide in retail, neighborhood, medical, and professional settings for maximum convenience and member satisfaction.

88% of VSP preferred providers offer early morning, evening, or weekend hours.

Retail Chain Affiliate Providers

Retail chain affiliate providers, which include Costco® Optical and Eye Care Centers of America, Inc.,™ (ECCA) give members added convenience and additional retail choices across the nation. Costco Optical has 400 locations, and ECCA manages nearly 400 optical stores, including EyeMasters, Visionworks, Dr. Bizer's VisionWorld, Eye DRx, and Hour Eyes. Members can enjoy a covered-in-full benefit experience with equivalent frame benefit at any of these retail locations. Members only pay for deductibles, costs over coverage amounts, and/or non-covered options.

Other Providers

Members always have the freedom to choose any other provider. Our plan includes a generous reimbursement schedule for services obtained from other providers, including national or local chains. All other providers can contact VSP directly to check eligibility and submit claims for members. VSP has a national arrangement with Walmart that makes it simple for members to use their VSP out-of-network benefits at Walmart and Sam's Club locations.
