

Welcome to Kids College 2026!

Pensacola State College

Hello Amazing Kids College Families!

Get ready...because Summer 2026 at Kids College is about to be packed with fun, creativity, laughter, learning, and unforgettable adventures! We're *so excited* that you're joining us for another action-filled summer on our beautiful Pensacola State College Main Campus.

For over 35 years, Kids College has been a place where imaginations run wild, curiosity leads the way, and campers discover new passions every day. Our awesome instructors, right from our own community, have spent months dreaming up hands-on activities and interactive courses they know kids will love.

This summer your campers will splash in the pool, explore our computer labs, tumble in gymnastics, hit the tennis courts, dive into STEM and art adventures, and enjoy all the best parts of PSC's campus. There's truly *something for every kid* to get excited about!

We know there are lots of camps in town, so THANK YOU for choosing us. We take that trust seriously, while still keeping things fun! With help from PSC Public Safety, we make sure campers can explore, learn, and play in a safe and welcoming environment. And because we know families are busy, we offer complimentary morning and afternoon extended care to make drop-off and pick-up a breeze.

We can't wait to meet your campers, spark new friendships, and make memories that last long after summer ends. Here's to a season full of discovery, new experiences, and big smiles.

Let's make Summer 2026 the BEST ONE YET!

The Kids College Team
