MOE as part of Ascension Health University

Introduction

Tell me about Ascension Health University.....

Sacred Heart Health System has joined with the hospitals that make up Ascension Health to create Ascension Health University. Our “My Online Education” system (MOE) is accessed through the Ascension Health University log in page.

Mission: Rooted in our Mission and Values, the Ascension Health learning system will develop the knowledge, skills and abilities to improve individual performance and positively contribute to professional, personal, spiritual and ministry growth.

Ascension Health University is a concept that supports associates’ careers by providing training opportunities to address regulatory requirements and career growth and development.

Learning Management System (LMS)

The Ascension Health University Learning Management System is a tool that provides on-line training opportunities, the ability to register for instructor-led courses, and a transcript that allows associates to track progress.

This on-line tool provides easy, windows-based navigation, flexible reporting options (i.e. transcripts), on-line help, and a straight-forward process to launch courses.

All Sacred Heart Health System Associates are provided a login ID which consists of SHHS + their badge number (example: shhs12345). Enter the following internet address (URL) to access the LMS.

System Requirements

There are a few basic requirements for optimal system performance

This system requires a PC or a MAC operating Windows.

You must use Internet Explorer version 4.0 or higher.

This system will not function properly using Mozilla Firefox or Apple Safari.

If you must use a MAC Operating System with Safari or a PC with Mozilla, your courses will not mark complete and you will be required to print out your results and turn them in to the Organizational Development and Education Department to be marked complete.

Turning Off Pop-Up Blockers

Instructions

Turning off pop-up blockers is essential to assure there are no problems logging in or launching courses in the Ascension Health University Learning Management System (LMS). You may have multiple pop-up blockers active on your system. ALL pop-up blockers must be turned off.

Internet Explorer

- Select **Tools** from the Internet Explorer toolbar
- Select **Pop-Up Blocker**
- Select **Turn Off Pop-Up Blocker**

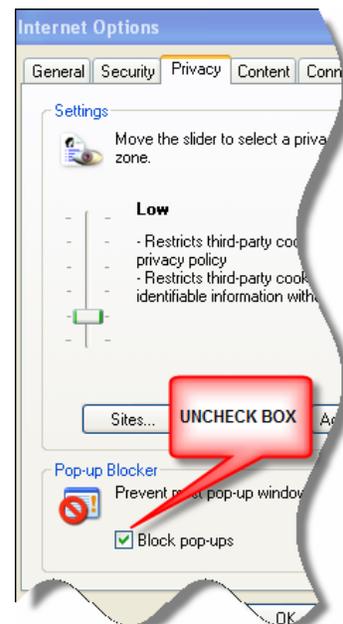

To Confirm Pop-Up Blocker is off...

- Select **Tools** from the Internet Explorer toolbar
- Select **Internet Options**

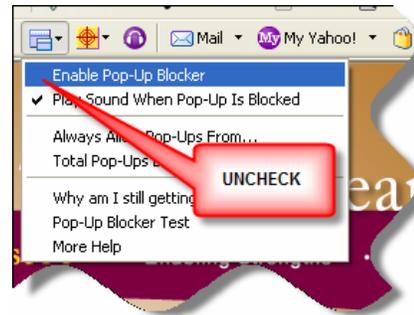

- Click on the **Privacy** tab
- Be sure the **Block Pop-Ups** box is *UNCHECKED*

Yahoo Toolbar

To remove Pop-Up Blockers from your Yahoo Toolbar...

- Click on this button to allow pop-ups
- Click on **Enable Pop-Up Blocker** to *UNCHECK*

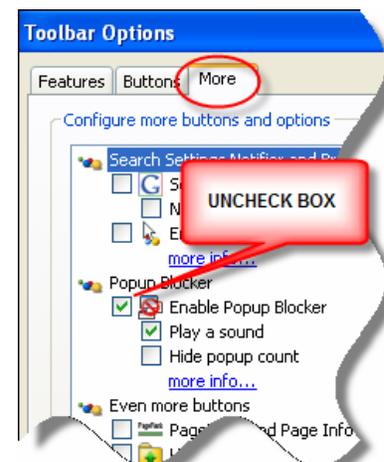

Google Toolbar

- From your Google toolbar choose **Settings** – on the far right
- Click on **Options**

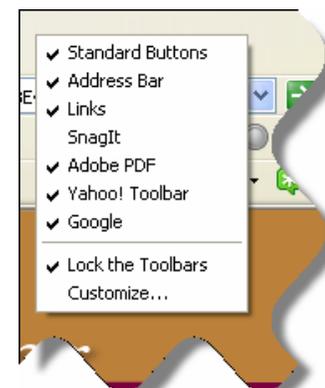

- From the **Toolbar Options** screen choose the **More** tab
- *UNCHECK* **Enable Pop-Up Blocker**

To remove toolbars that may contain Pop-Up Blockers...

- Right click on a blank area of the explorer tool bar
- When you see the tool bar menu it will show the active tool bars with a check mark
- Click on the toolbar you want to deactivate to uncheck it
- Do this for each toolbar you want to deactivate

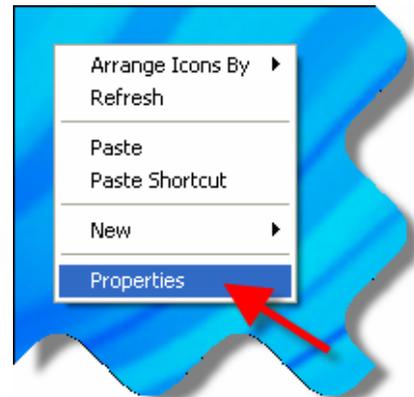

Setting Screen Resolution

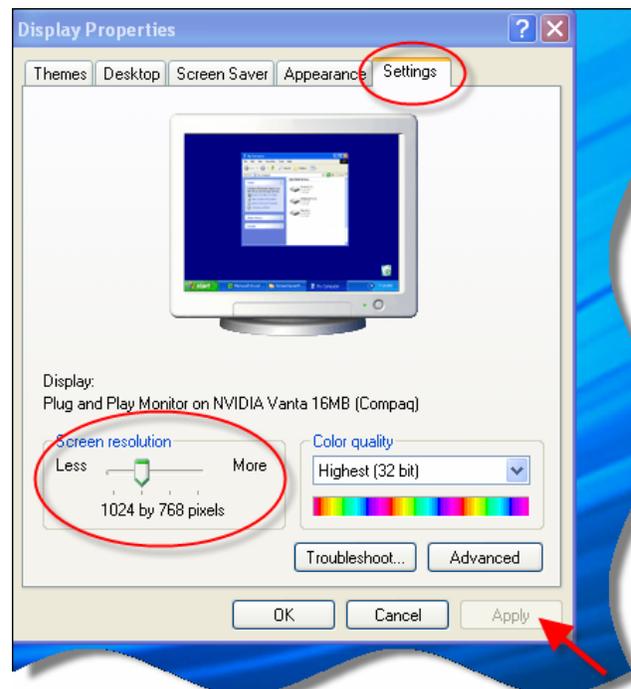

Instructions

Setting your screen resolution to 1024 X 768 will allow you to view most learning activities in the Learning Management System (LMS) on a full screen without the need to scroll right, left, or up and down.

- Right click on your desktop to open this menu
- Click on **Properties**

- Click on the **Settings** tab
- Slide the Screen resolution bar toward **More** until you see 1024 by 768
- Click **Apply**
