RFQ 13-2016/2017

PENSACOLA
S T A T E C O L L E G E

ADDENDUM #2

Below are questions received and their corresponding responses.

Question: Page 6 reference – asks for “provide two client and two contractor references” should this be “two client and two architect?”

Response: Change to 4 client references.

Question: Who is on the selection Committee?

Response: President, Vice President of Academic Affairs and Student Affairs, Vice President of Business Affairs, Dean of Baccalaureate Studies and Academic Support, and Director of Facilities, Planning and Construction.

Question: Can we get copies of the geo report and environmental reports? And any other relevant documents related to the site.

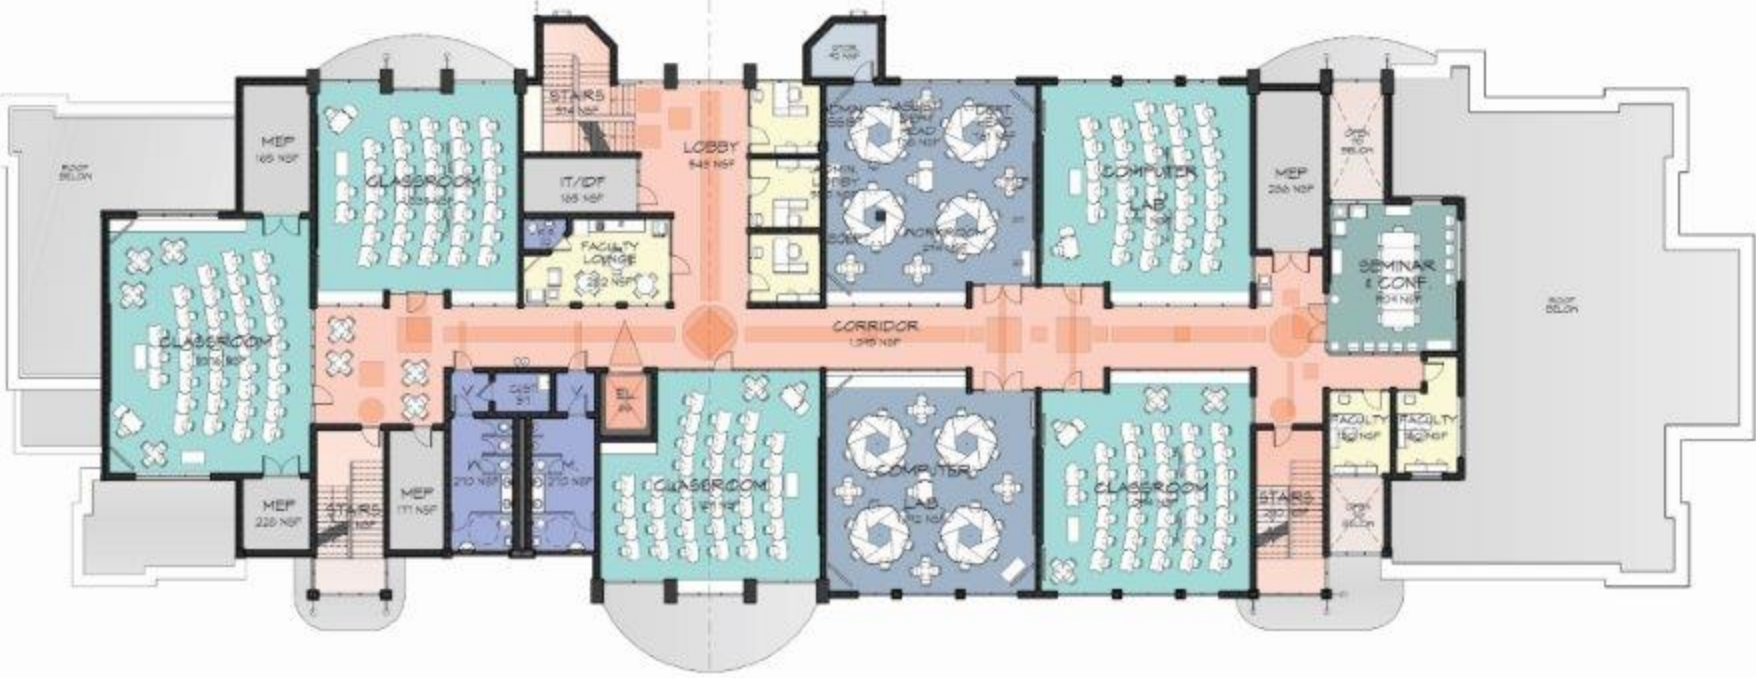

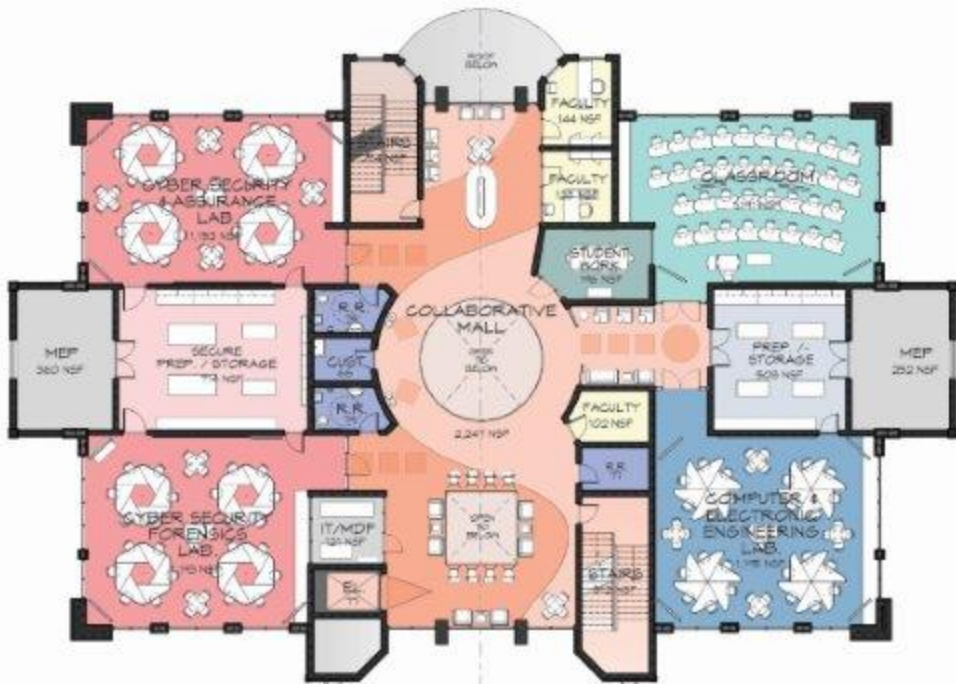

Response: None are available

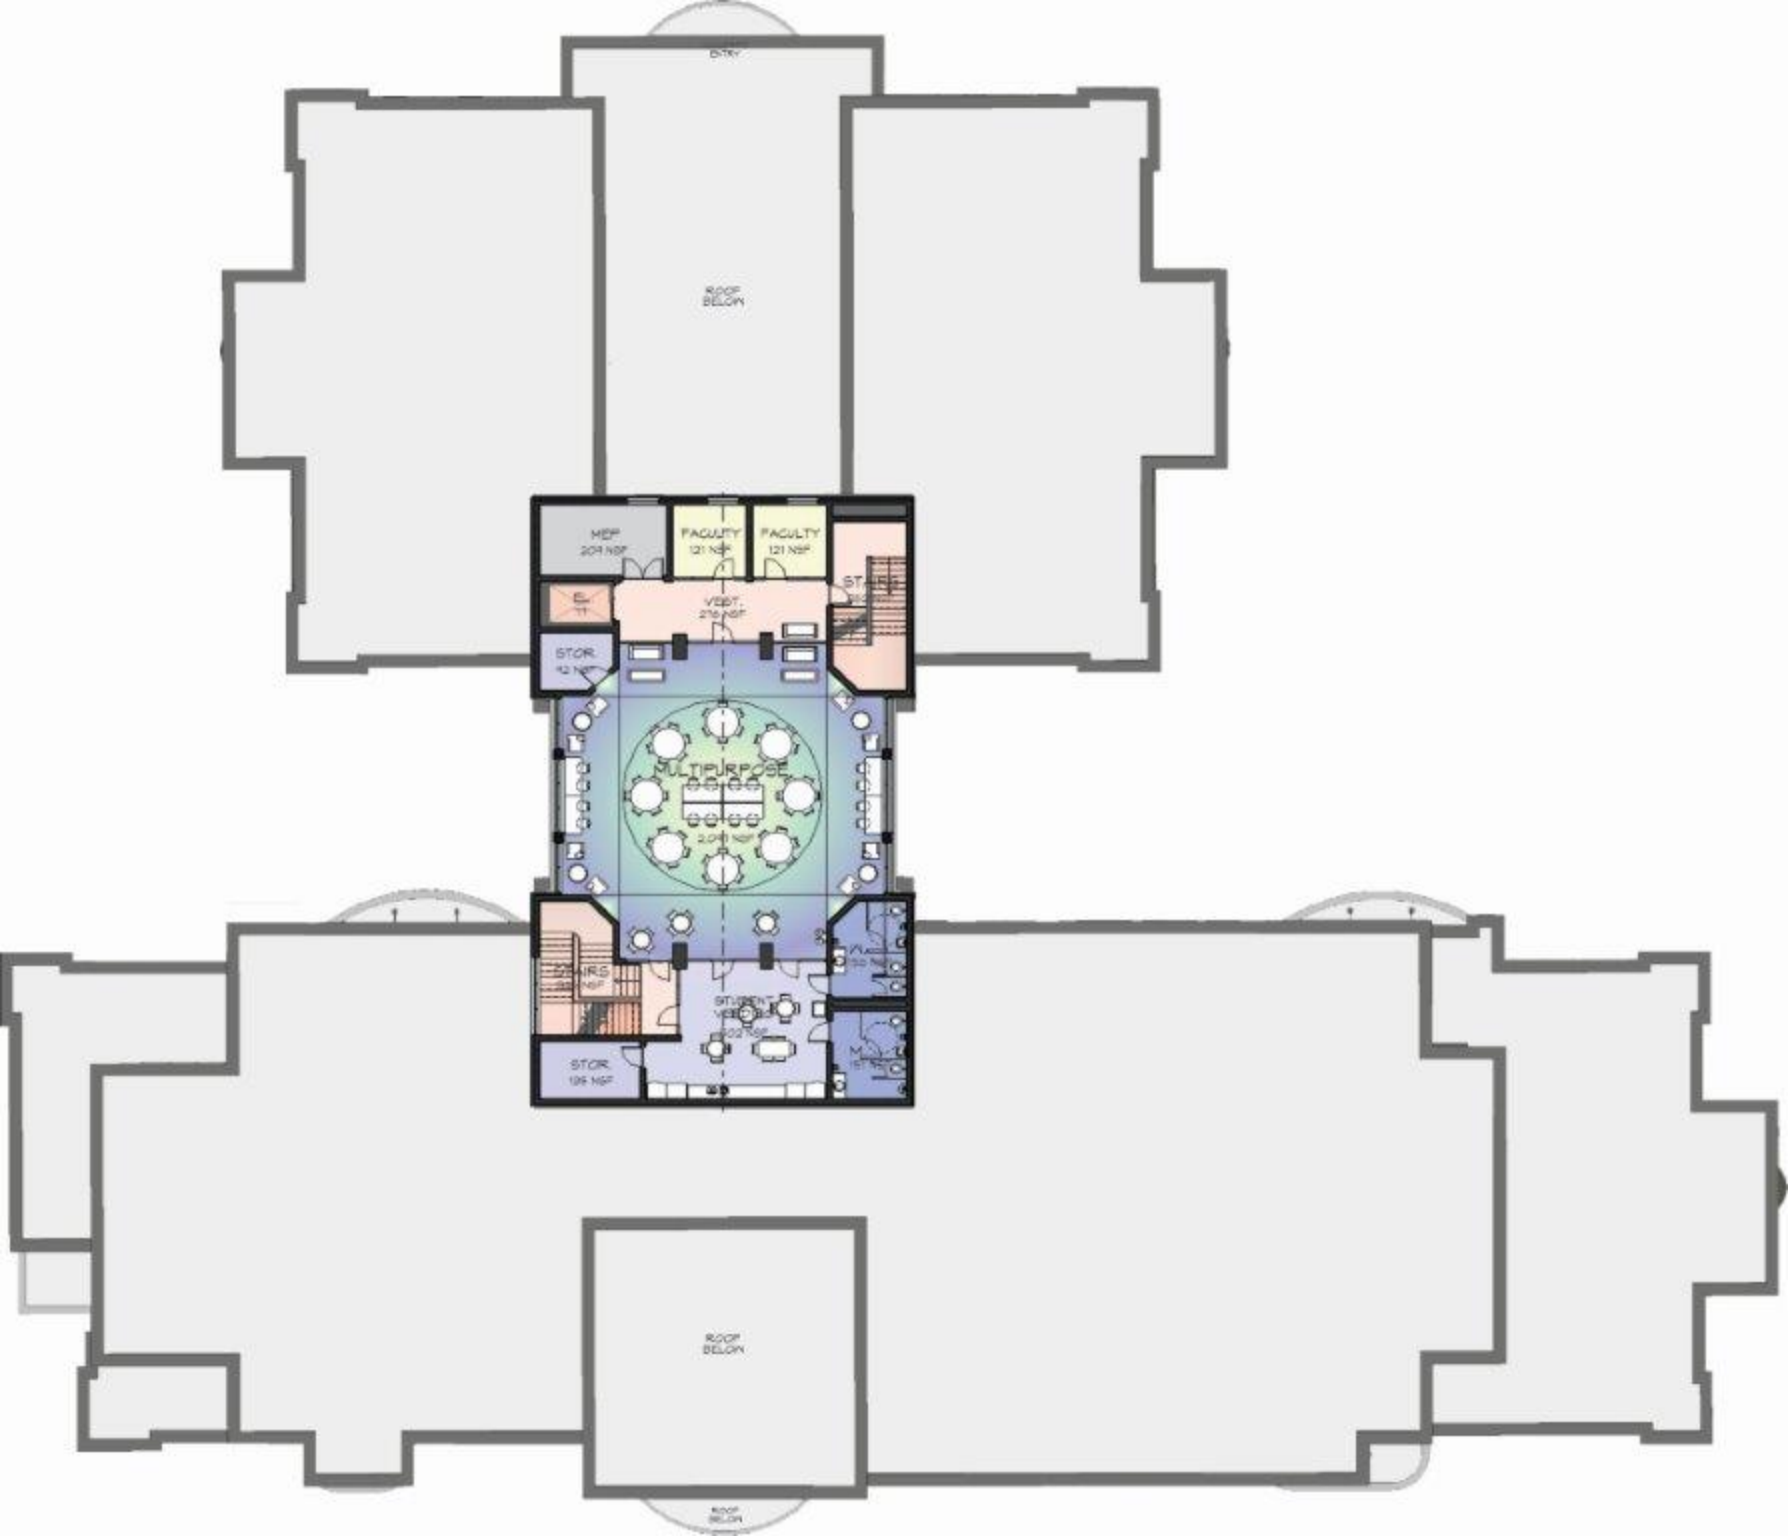

Question: How many recently completed projects do you want to see?

Response: Five (5)

Question: To help us better prepare a response to the RFQ, are there any sketches or preliminary drawings available for our internal use and reference?

Response: See following pages of Drawings and Renderings as samples.
