

DISTRICT BOARD OF TRUSTEES
PENSACOLA JUNIOR COLLEGE
1000 COLLEGE BOULEVARD
PENSACOLA, FL 32504-8998

March 10, 2006

ADDENDUM NO. 1
TO
INVITATION FOR BID (ITB 17 - 2005/2006) for Standby Generators for WSRE Towers
FOR
PENSACOLA JUNIOR COLLEGE

Please add the following information to the referenced bid:

Incentives and Penalties:

Pensacola Junior College (PJC) requires the standby generator projects to be completed on or before July 24, 2006. PJC offers an incentive payment equal to \$150.00 times the number of days before July 24, 2006 for early completion of the project. Conversely, PJC will assess liquidated damages to be deducted from the final payment equal to \$150.00 times the number of days after July 24, 2006.

Additionally, PJC offers an incentive of \$2500 per installation, separate from any other incentives or liquidated damages, for the completion of all work except the actual setting and connection of the generator set prior to June 30, 2006. This work includes, but is not limited to, pouring of concrete pads, installation of all conduits and wiring, and installation of the transfer switches, so that when the generator arrives, it can be installed and tested immediately. This incentive is offered to allow PJC to connect a temporary "loaner" generator set to the systems in case of a hurricane or other natural disaster requiring standby generator usage.

Angie C. Jones
Director of Purchasing
and Auxiliary Services

Please acknowledge and return this addendum with your proposal. If you have already submitted a bid, please return this addendum, with signed acknowledgment, by the proposal opening deadline, **March 21, 2006**.
