There are specific laws and college policies that govern access to a student’s records at the college. There may be instances in which the student wishes another person to have access to his or her records. The following information and forms are available on the college’s web page http://www.pensacolastate.edu/students/studentsRightsPrivacy.asp

Unless specifically requested to provide your Social Security Number, you should always provide your Pensacola State Student ID# in communications with the college.
