9. Click **ADD TO CART**. If this is all you're purchasing, proceed to step 10.

Do not increase the quantity for multiple children, instead repeat the process for the number of camps you want to purchase for each child. Each child needs a separate registration completed so we have accurate information on our roll sheets.

To purchase another camp, click **VIEW YOUR CART**. In your shopping cart, click the class name in green to return to the original registration form. Repeat steps 7-9 for the same week and age group.

To select a different age group or camp week, click Products in the top left-hand corner. Scroll down to [Kids College](#) and repeat steps 3-9 as needed.

If you want to purchase a meal, select a Subway Lunch option under the [Kids College](#) Product page. Select which camp week. Complete the form and add it to your cart.

10. Click your shopping cart and **VIEW YOUR CART** to complete registration.
11. Click **CHECKOUT**.
12. Register and log in for faster future registration. You can access your orders, manage a Wishlist, and save your addresses and billing information with a created account. Complete steps 10-11 again if it's your first time registering.
13. Click **PAY NOW**.

Families now have two options to pay:

- Pay with eCheck with a bank account routing and account number.
- Pay with a Credit/Debit Card, which includes a 2.75% service fee.

14. Select an option and complete all billing information details.
15. Checkmark the terms of use and click **CONTINUE**.
16. Click **CONFIRM**.
