10-digit CIP Number: 0649020500
Program Length: 320 clock hours
and
Florida Gateway College
Associate in Science in Operations Management Technology
10-digit CIP Number: 1652020501
Program Length: 60 credit hours

THIS ARTICULATION AGREEMENT is entered into by and between **THE DISTRICT BOARD OF TRUSTEES OF PENSACOLA STATE COLLEGE, FLORIDA**, hereinafter referred to as the "College," and **Florida Gateway College**, in order to establish and validate an articulation agreement which supports the implementation of an Articulated Pathway.

*WHEREAS, to accomplish the Program of Studies requirements the parties hereto have recommended that students enrolled in courses beginning at the career certificate level shall have the opportunity to receive credits applicable toward their associate of science degree provided that the students meet the minimum requirements and conditions set forth below; **NOW THEREFORE,***

FOR AND IN CONSIDERATION of these premises and other good and valuable consideration, the College and Florida Gateway College do hereby agree and covenant each with the other regarding the Articulated Pathway as follows:

Florida Gateway College agrees to extend full college credit at no cost to eligible students who have completed the **Career Certificate in Commercial Vehicle Driving (CIP: 0649020500)** program at Pensacola State College and have obtained the requirements for the Class A Commercial Driver's License (CDL) in accordance with the Florida Department of Highway Safety and Motor Vehicles, Division of Driver's Licenses.

Pensacola State College	Florida Gateway College
Career Certificate in Commercial Vehicle Driving 10-digit CIP Number: 0649020500 Program Length: 320 clock hours	Associate in Science in Operations Management Technology Articulated Credit: 10 credit hours - Technical Elective Credit

Minimum requirements and conditions for students:

- a. Meet regular college entrance requirements.
- b. Complete the college application.
- c. Be accepted into Florida Gateway College within two years of completing the Pensacola State College Program and earning a Florida Class A license.
- d. Declare a major in Florida Gateway College's articulated program.

- e. Meet with a Program Advisor to discuss the program requirements, create an educational plan, provide the required documentation, and initiate the award of credit process.
- f. Comply with appropriate placement, course prerequisites, and requirements of Florida Gateway College.
- g. Successfully complete at least one course in the articulated program and be a currently enrolled student at the time the credit is awarded.
- h. After verifying conferral of the Certificate on the student academic transcript and reviewing the approved student assessments, the appropriate advisor or administrator at Florida Gateway College will determine eligibility and submit an articulated credit request to the Registration and Records Office. The Registration and Records Office will then award the student the appropriate number of articulated credit hours.

The initial term of this Articulation Agreement shall be from the date signed to June 30, 2027. This Articulation Agreement shall automatically renew annually for four (4) consecutive years, unless either the College or Florida Gateway College gives written notice at least sixty (60) days prior to the commencement of any renewal term that it does not intend to renew the Agreement. If neither Party gives notice of its intent not to renew, it shall be deemed by both Parties that no modification was needed and that this Articulation Agreement has been ratified by the College and Florida Gateway College. If a Party to this Agreement does give notice of its intent not to renew because some modification is needed, then the Parties will jointly consider the proposed modifications and, upon reaching an agreement, they will enter into a new Articulation Agreement which shall include such modifications.

IN WITNESS WHEREOF, the College and Florida Gateway College have caused these presents to be executed as of the 1 day of 10, 2026
