Limited Access Program Application Information

<u>Application Windows</u>:
Fall: January 1 – February 15
Spring: July 1 – August 15
Summer: October 1 – November 15

Last Updated 11/23/2026

Fall Limited Access Program Application Information

- Important application dates are provided in the table below.
- If you are a current student, you must complete a new application to be considered for a limited-access program.
- If you are applying to a program with admission criteria, you must meet the requirements before submitting your application.

Step 1: Complete the application by accessing the Application Portal.
Applications are ranked by the date of the completed application, including all transcripts and test scores.

Step 2: Submit application materials, if required, by the Application Materials due date.
Required materials may include transcripts, test scores, a professional license, and certifications.

Step 3: Check the Status of a Submitted Application:

- Sign in to the Application Portal.
- Enter the email address and password used to start your application. If you do not remember your password, select "Forgot Password."
- Once signed in, select the appropriate application link in the Admissions section on the right. You'll see your application under Your Applications with the status of Submitted.
- Click on the blue application link to view any remaining action items to be completed.
