Several things to consider before engaging in an activity on this trip.

- 1. What you do reflects on your advisors, your Student Club and Pensacola State College**
- 2. Ask yourself: “Would my advisor approve of my engaging in this activity?”**
- 3. We may be using school vehicles and/or school funds on this trip. Ask yourself”: would the state taxpayers approve of subsidizing this activity?”**

I have read and understand and I will comply with the restrictions and conditions described about during this out-of-town trip.
