

PENSACOLA STATE COLLEGE

Introduction to Environmental Science – Section Syllabus

EVR 2001, Section P1510

Fall 2024, Session A

Instructor: Mr. Jeff Wooters

Office: Pensacola Campus, Building 17, Room 1707

Phone: (850) 484-1160

Email: jwooters@pensacolastate.edu

Office Hours: TBD

Department Head: Mr. Joe Peterson

Department Head Phone: (850) 484-1106

Department Head Email: jpeterson@pensacolastate.edu

Final Exam Date: TBD

Last Date of Drop/Add: August 23, 2024

Last Date for Student to Withdraw: November 5, 2024

Course Description:

Introduces the basic ecological principles and current environment problems.

Class Meeting Time: M_W | 9:30 AM - 10:45 AM

Class Location: Pensacola Campus, Building 21, Room 2142

Credits: 3

Offered: FA, SU, SP

Distribution: Meets AA General Education Core, Natural Sciences (Biological Sciences) requirement

Required Textbooks and Instructional Materials:

Essential Environment; Brennan and Withgott; 9780134714882; 6; Benj; 2019

Supplemental Textbooks and Instructional Materials: (if applicable)

None

Special Requirements: (if applicable)

Student Expectations—Students enrolled in this course can expect the following: 1) clearly identified course objectives; 2) productive class meetings; 3) a positive learning environment; 4) opportunities for appropriate student participation; 5) effective instruction; 6) positive and appropriate interactions; 7) assistance with meeting course objectives during and beyond class hours; 8) evaluation of student performance and appropriate and timely feedback; and 9) clear and well-organized instruction.

Methods of Evaluation:

At minimum, the instructor will cover content which aligns with statewide and institutional learning outcomes for the course. The instructor will measure student performance using the following:

Grade calculation: Your final grade is based on your (1) Exams, (2) quizzes, (3) small group assignments (4) individual assignments, and (5) discussions.

Points break-down:

1. Exams:	4 exams x 100 points =	400 points
2. Quizzes:	4 quizzes x 25 points =	100 points
3. Small Group Assignments:	2 assignments x 10 points =	20 points
4. Individual Assignments:	4 assignments x 10 points =	40 points
5. Discussions:	5 discussions x 20 points =	<u>100 points</u>
	Total	660 points

Grading Scale:	
90% - 100%	A
87% - 89%	B+
80% - 86%	B
77% - 79%	C+
70% - 76%	C
67% - 69%	D+
60% - 66%	D
0% - 59%	F

Evaluations of student progress towards achieving the stated learning outcomes and performance objectives is the responsibility of the instructor, within the policies of the College and the department. Detailed explanations are included in the course supplementals developed by the instructor for each section being taught.

Student Expectations: Students enrolled in this course can expect the following:

1. Clearly identified course objectives;
2. Productive class meetings;
3. A positive learning environment;
4. Opportunities for appropriate student participation;
5. Effective instruction;
6. Positive and appropriate interactions;
7. Assistance with meeting course objectives during and beyond class hours;
8. Evaluation of student performance and appropriate and timely feedback; and
9. Clear and well-organized instruction.

General Education Student Learning Outcomes: (if applicable)

Critical Thinking: The student analyzes, evaluates, and, if necessary, challenges the validity of ideas, principles, or data in order to develop informed opinions, probable predictions, or defensible conclusions.

Scientific and Mathematical Literacy: The student properly identifies and applies scientific or mathematical principles and methods.

Information Literacy: The student effectively locates, evaluates, and applies information from a variety of sources.

Program Student Learning Outcomes: (if applicable)

None

Course Learning Outcomes:

1. Recognize that science is a process that constantly changes the way we understand the world.
2. Understand that the earth is one interconnected and natural system that changes over time.
3. Discuss the impact that humans have had on earth's environment for thousands of years.
4. Appreciate that the earth's natural biogeochemical systems vary in their ability to recover from disturbances.
5. Gain an understanding of the impact the recent population explosion and technological advances have on the environment.
6. Understand that environmental problems have both a cultural and social impact.
7. Understand that human survival depends on developing practices that will achieve sustainable systems.

Academic Dishonesty Statement:

Pensacola State College is committed to upholding the highest standards of academic conduct. All forms of academic dishonesty, to include plagiarism and cheating, are prohibited. Penalties for academic dishonesty include but are not limited to one or more of the following: the awarding of no credit on the assignment, a reduction in the course grade, or the assignment of a final course grade of F and removal from the course. See the College Catalog for more details: <https://pensacolastate.smartcatalogiq.com/en/2023-2024/Catalog/Student-Handbook/Student-Responsibilities/Plagiarism-and-Academic-Cheating>

Student Email Accounts:

Pensacola State College provides an institutional email account to all students enrolled in courses for credit. PirateMail is the official method of communication, and students must use PirateMail when communicating with the College. In cases where companion software is used for a particular class, email may be exchanged between instructor and student using the companion software.

Flexibility:

It is the intention of the instructor to accomplish the objectives specified in the course syllabus. However, circumstances may arise which prohibit the fulfilling of this endeavor. Therefore, this syllabus is subject to change. When possible, students will be notified of any change in advance of its occurrence.

ADA Statement:

Students with a disability that falls under the Americans with Disability Act or Section 504 of the Rehabilitation Act, it is the responsibility of the student to notify Student Resource Center for ADA Services to discuss any special needs or equipment necessary to accomplish the requirements for this course. Upon completion of registration with the Student Resource Center for ADA Services office, specific arrangements can be discussed with the instructor.

Pirates CARE Student Resource Center

As a student, you may experience challenges that can interfere with your academic and personal success. These can include things such as basic needs (food, housing, transportation, healthcare, etc.), increased anxiety, depression, substance use, grief, or other stressful experiences. The Pirates CARE Student Resource Center provides free services to students, including emergency aid, campus food pantries, career clothing closets, connections to local resources for basic needs support, and confidential mental health counseling services provided in-person or via telehealth.

You can contact the Pirates CARE Student Resource Center at 850-484-1759 or by email at PiratesCARE@pensacolastate.edu. More information about our services can be found online at www.pensacolastate.edu/PiratesCARE.

For additional 24/7 crisis help, the Crisis Text Line can be accessed by texting "GULF" to 741-741, and the Suicide Lifeline can be reached by phone at 9-8-8.

Equity Statement:

Pensacola State College does not discriminate against any person on the basis of race, color, national origin, sex, disability, age, ethnicity, religion, marital status, pregnancy, sexual orientation, gender identity or genetic information in its programs, activities, and employment. For inquiries regarding the College's nondiscrimination policies, contact the Executive Director of Institutional Equity and Student Conduct, 1000 College Blvd., Building 5, Pensacola, Florida 32504, (850) 484-1759.

Security Statement:

Pensacola State College is committed to encouraging all members of the College community to be proactive in personal safety measures. In case of emergency, students should ensure that they are aware of the building exit closest to each of their classrooms, as well as all alternative building exits in case circumstances require using a different route.

Emergency Statement:

In the case of severe weather or other emergency, the College administration maintains communication with appropriate state and local agencies and makes a determination regarding the cancellation of classes. Notices of cancellation will be made through the College's PSC Alert system and on the College's website.
