ASSIGNMENTS, GRADES, AND PROCEDURES

GRADE COMPONENTS

Tests: there will be 4 tests throughout the term for this class. Each test counts for 10% of your grade, totaling a cumulative weight of 40% of your grade. Tests will be administered strictly online (via the Proctorio app) and will be open book/notes. You will have one attempt on each test.

McGraw-Hill Connect Assignments: each week, there will be graded assignments consisting of SmartBook assignments, Connect the Dots videos, and chapter quizzes. These assignments can be found on Canvas (via the McGraw-Hill Connect application) and will be made available two weeks in advance of the due date.

Group Project: 15% of your course grade will be based upon a group project that you submit at the end of the semester. This project will be completed in a group of 3 to 4 people. The groups will stay the same the entire semester and you may either choose your groupmates or have me assign you to a group.

GRADE COMPONENTS

Component	% of Grade
Tests (4)	10% each (total of 40%)
MGH: SmartBook Assessments	15%
MGH: Connect the Dots Videos	15%
MGH: Online Chapter Quizzes	15%
Group Project	15%
TOTAL	100%

*MGH = McGraw-Hill Connect

GRADING SCALE

90% - 100%	A
87% - 89%	B+
80% - 86%	B
77% - 79%	C+
70% - 76%	C
67% - 69%	D+
60% - 66%	D
0% - 59%	F

LATE ASSIGNMENTS

Assignments will be made available approximately two weeks before they are due. Considering the generous window provided for completing assignments, **ASSIGNMENTS WILL INCUR A 20% PENALTY FOR EACH DAY (OR FRACTION THEREOF) THAT THE ASSIGNMENT IS SUBMITTED LATE.** Be sure to stay abreast of due dates of all assignments and strive to complete them early. Please note, the final project and final exam must be submitted by their respective due dates (i.e., there is no late submission grace period), so this policy does not apply in those cases.

STUDENT EXPECTATIONS AND RESOURCES

Student Expectations: Students enrolled in this course can expect the following:

1. clearly identified course objectives
2. productive class meetings
3. a positive learning environment
4. opportunities for appropriate student participation
5. effective instruction
6. positive and appropriate interactions
7. assistance with meeting course objectives during and beyond class hours

8. evaluation of student performance and appropriate and timely feedback
9. clear and well-organized instruction.

General Education Student Learning Outcomes: Critical Thinking: The student analyzes, evaluates, and, if necessary, challenges the validity of ideas, principles, or data in order to develop informed opinions, probable predictions, or defensible conclusions. Communication: The student effectively communicates knowledge and ideas. Cultural Literacy: The student demonstrates an understanding of human culture and its diversity.

Course Learning Outcomes:

- Define basic economic concepts and correctly apply economic terminology.
- Measure and evaluate economic activity using national income accounts, inflations and unemployment, and summarize the causes and effects of economic growth.
- Analyze national economic activity through the aggregate demand and supply model.
- Evaluate the roles of money, banking and the financial sector in the national economy.
- Evaluate and apply fiscal and monetary policies to economic situations.
- Describe the theories and problems of international trade, balance payments and exchange rates.

Academic Dishonesty Statement:

Pensacola State College is committed to upholding the highest standards of academic conduct. All forms of academic dishonesty, to include plagiarism and cheating, are prohibited. Penalties for academic dishonesty include but are not limited to one or more of the following: the awarding of no credit on the assignment, a reduction in the course grade, or the assignment of a final course grade of F and removal from the course. See the College Catalog for more details.

Student Email Accounts:

Pensacola State College provides an institutional email account to all students enrolled in courses for credit. PirateMail is the official method of communication, and students must use PirateMail when communicating with the College. In cases where companion software is used for a particular class, email may be exchanged between instructor and student using the companion software.

Flexibility:

It is the intention of the instructor to accomplish the objectives specified in the course syllabus. However, circumstances may arise which prohibit the fulfilling of this endeavor. Therefore, this syllabus is subject to change. When possible, students will be notified of any change in advance of its occurrence.

ADA Statement:

Students with a disability that falls under the Americans with Disability Act or Section 504 of the Rehabilitation Act, it is the responsibility of the student to notify Student Resource Center for ADA Services to discuss any special needs or equipment necessary to accomplish the requirements for this course. Upon completion of registration with the Student Resource Center for ADA Services office, specific arrangements can be discussed with the instructor.

Pirates CARE Student Resource Center:

As a student, you may experience challenges that can interfere with your academic and personal success. These can include things such as basic needs (food, housing, transportation, healthcare, etc.), increased

anxiety, depression, substance use, grief, or other stressful experiences. The Pirates CARE Student Resource Center provides free services to students, including emergency aid, campus food pantries, career clothing closets, connections to local resources for basic needs support, and confidential mental health counseling services provided in-person or via telehealth.

For additional 24/7 crisis help, the Crisis Text Line can be accessed by texting "GULF" to 741-741, and the Suicide Lifeline can be reached by phone at 9-8-8.

Equity Statement:

Pensacola State College does not discriminate against any person on the basis of race, color, national origin, sex, disability, age, ethnicity, religion, marital status, pregnancy, sexual orientation, gender identity or genetic information in its programs, activities, and employment. For inquiries regarding the College's nondiscrimination policies, contact the Executive Director of Institutional Equity and Student Conduct, 1000 College Blvd., Building 5, Pensacola, Florida 32504, (850) 484-1759.

Security Statement:

Pensacola State College is committed to encouraging all members of the College community to be proactive in personal safety measures. In case of emergency, students should ensure that they are aware of the building exit closest to each of their classrooms, as well as all alternative building exits in case circumstances require using a different route.

Emergency Statement:

In the case of severe weather or other emergency, the College administration maintains communication with appropriate state and local agencies and makes a determination regarding the cancellation of classes. Notices of cancellation will be made through the College's PSC Alert system and on the College's website.
