PENSACOLA STATE COLLEGE

Presidential Coin Design Contest

OFFICIAL ENTRY FORM
2026

ABOUT THE PRESIDENTIAL COIN

A presidential challenge coin is a custom-minted medallion inspired by the military challenge coin, a symbol of membership, achievement, and shared pride.

The President of Pensacola State College invites all currently enrolled PSC students to submit designs for his presidential challenge coin. He will present the coin to students, faculty, staff, and community partners in recognition of exceptional service, achievement, and contributions to the college or community.

The selected design will become a lasting emblem of who we are as a college, carried by those who represent PSC at its best.

Winner's Award: One winner will be selected to receive a $250 award, a commemorative coin, and to accompany the president at the coin's unveiling ceremony.

CONTEST REQUIREMENTS

- **Eligibility**: Open to all currently enrolled Pensacola State College students.
- **Theme**: The design must be representative of Pensacola State College as a whole, which may include its people campuses, values, and spirit, rather than a single department, program, or organization. One side will display the PSC logo. The opposite side will display your design.
- **Format**: Render your design inside the circle on page 2 of this official entry form and complete all entrant information below.
- **Submission window**: Entries must be received between Monday, November 16, 2026, and no later than Friday, December 11, 2026, by 4:00 p.m. in person or by 11:59 p.m. online.

PENSACOLA
STATE COLLEGE

Actual size: 1.75 inch

STANDARD CHALLENGE COIN DIMENSIONS

Diameter: 1.75 inch (44.5mm) is the most common size; coins typically range from 1.5 inch to 2.0 inch (38–51mm).

Thickness: approximately 3mm (1/8 inch)

Scale: The drawing circle above is 6 in across, about 3.4 times actual size. Fine details and small text will shrink considerably when minted, so favor bold shapes and clear, legible lettering.

File Format needed: Preferably an editable PDF or EPS in CMYK. Questions regarding format, contact PSC Marketing at 850-484-1247.
